

Introducing Online Sports Registration for the 2017-2018 CYO Season

Registration and online payment for sports will now be online. To register for sports go to www.orgsonline.com, this will take you to the login page for Orgs Online Software Services. This is the service that is hosting our sports registration and online payment system.

To sign up for sports you will need an Orgs Online account. To create a new account, select the "Create New Account" option on the left side of the screen. Then when asked enter the school code (**100LGNIN**) and provide the information requested to activate your account.

Forgotten Password

If you forget your password, select the **Forgot my Password** option to have your password immediately sent to you. An automated attendant will send your password to the email address listed in your account. If you do not receive that email then select the **Get Help** option to submit a Trouble Report.

Please remember:

- You will use the school code shown above to activate your account.
- Follow the on-screen prompts to setup your family account.
- Submit all orders before selecting the "Pay Now" button to submit a payment.
- Next time you access your sports registration account you will enter your email address and the password created when you setup your account.
- If you encounter a login problem use the get help button to request assistance.

If you have any questions feel free to email Marsha Nystrom, mknystrom@ologn.org.
